

Stranger Factory

FOR IMMEDIATE RELEASE

Stranger Factory art space is proud to present “Bewitching” the first of an annual invitational group exhibition of new works in the theme and culture of vintage Halloween. The show will feature over 2 dozen local, national, and internationally recognized visual artists and designers. Featured artists include Sas and Colin Christian, Travis Lampe, Steve Lee, Emily Trovillion, Derek Yaniger, and Karen Peters.

Artists were invited to find inspiration in the history of Halloween, including costuming and merchandise from a past long gone to the symbolism and icons of this fantastic hallowed holiday – black cats to witches, to the walking dead and pumpkin kings...

The exhibition opens October 7th with a reception from 6-9pm.

The Stranger Factory brings a fresh perspective to the American art + design scene, connecting world class artists from the Pop Surrealist and Lowbrow movements to New Mexico. Dedicated to providing aspiring art collectors the opportunity to begin their collections with original artworks and limited edition releases at affordable prices, Stranger Factory is not only a collaborative effort among the artists...but between the space and its patrons as well.
