

Stranger Factory

FOR IMMEDIATE RELEASE

STRANGER FACTORY HOSTS CIRCUS POSTERUS INVITATIONAL EXHIBIT

Stranger Factory will play host to the Circus Posterus collective's annual winter "Invitational" exhibit, featuring new work and editioned pieces from CP artists and friends. This year's invitational will feature new creations from Amanda Louise Spayd, Chris Ryniak, Brandt Peters, Kathie Olivas, Glenn Barr, Phil Noto, RAGNAR, Valency Genis, DrilOne, Leecifer, Yohei Kaneko, and Shigeta Tanaka. Works will include paintings, prints, original sculptures, editioned resin figures and more. This show gives CP artists and special guests a chance for one last blowout before the new year, and a chance to experiment with their work, technique, and characters a bit outside of the constraints of a themed or solo exhibition.

In addition to the new works and editions by the Circus Posterus artists and friends, Stranger Factory will also have available plenty of affordable items that are perfect for holiday gift giving. Prints, postcard sets, apparel, and more from Circus Posterus artists will be available both in-store and online.

Invitational will open at Stranger Factory on Friday, December 7th, with an opening reception from 6 PM - 9 PM. The opening reception will coincide with the opening of "A One-Way Ticket To Flipsville", a solo exhibition by Derek Yaniger in Stranger Factory's Small Projects room.

[Stranger Factory is located at 109 Carlisle Blvd NE](#), in Albuquerque's historic Nob Hill neighborhood at the corner of Carlisle and Central.
